Our ASX has the newer exterior facelift keeping the ASX looking fresh. The ASX also receives the Smartphone link Display Audio system; LED Day running lights and advanced safety systems on the VRX models.

. Interior NVH (noise, vibration, harshness) has been reduced, all thanks to a truck load of interior insulators covering almost every aspect of the vehicle body structure.

The premium spec VRX model benefits from extra safety systems Forward Collision Mitigation, Lane Departure Warning and Auto High Beam lights. For those not yet familiar with the collision mitigation systems, this one utilizes laser radar and camera technology to determine if a frontal collision with a vehicle or pedestrian is imminent. If so, it warns the driver first with an audible and visual signal and automatically applies moderate to emergency braking in order to reduce or prevent an incident.

Other features include full panoramic glass roof. Auto light and
